Introducing the MINI Countryman SE Midnight Edition.

- New MINI Countryman SE Midnight Edition combines an exclusive fixed specification with distinctive design and enhanced standard equipment, while remaining eligible for the £3,750 Electric Car Grant.
- Choice of Indigo Sunset Blue or Midnight Black paintwork, with 18" Asteroid Spoke alloy wheels in Jet Black or Vibrant Silver.
- Up to 285 miles* of electric range, with Driving Assistant Plus and four years access to the MINI Connected Package included as standard.
- First customer deliveries expected in early 2027, priced at £41,645 OTR.

MINI is introducing the new MINI Countryman SE Midnight Edition, bringing together a distinctive exterior treatment and enhanced standard specification in an exclusive new edition of the MINI Countryman Electric. Available exclusively in SE ALL4 form, customers can choose from Indigo Sunset Blue, offered on the Countryman for the first time, or Midnight Black paintwork, paired with a Midnight Black roof and 18" Asteroid Spoke alloy wheels in either Jet Black or Vibrant Silver. Based on Classic trim, the Midnight Edition adds a carefully selected range of equipment as standard while remaining eligible for the government's £3,750 Electric Car Grant.

The MINI Countryman SE Midnight Edition builds on the model's distinctive, muscular design with a choice of two exterior colours, each paired with a black roof. Larger 18" Asteroid Spoke alloy wheels are available in either Jet Black or Vibrant Silver, while sun protection glass adds to the exterior treatment and enhances comfort for occupants.

Inside, the Midnight Edition features Vescin Black/Blue Cloth upholstery with a dark headliner, creating a more distinctive cabin finish. Front seat heating, wireless charging and a head-up display are also included as standard. Reflecting the Countryman's practical character, a luggage net is included to help keep items secure in the luggage compartment while driving.

When purchased from new, the MINI Countryman SE Midnight Edition includes four years of access to the MINI Connected Package, bringing together a range of digital services across navigation, entertainment and personalisation. Features include real-time traffic information, advanced navigation visualisation, video streaming and connected in-car apps. Driving Assistant Plus is also included as standard, providing additional driver support through features including active cruise control, lane-centring and Stop & Go functionality.

The MINI Countryman SE Midnight Edition features the recently revised 64.6kWh battery, delivering an electric range of up to 285 miles* and accelerating from 0-62mph in 5.6 seconds. The MINI Countryman SE also supports DC fast charging at up to 130 kW.

With its fixed specification, the MINI Countryman SE Midnight Edition is priced at £41,645 OTR and is available to order now from MINI retailers nationwide, with first customer deliveries expected in early 2027.
