

BMW Motorrad USA

Model Year 2015 Motorcycles: Pricing and Equipment

1. Announcement – Model Year 2015

BMW Motorrad USA is pleased to announce pricing and product details for the Model Year 2015 lineup that commenced with the August / September / October production allocations.

2015 Models Launching with August / September / October production (included in this communication)

▪ C 650 GT	▪ F 800 GT	▪ K 1300 S
▪ G 650 GS	▪ R nineT	▪ K 1600 GT
▪ F 700 GS	▪ R 1200 GS	▪ K 1600 GTL
▪ F 800 GS	▪ R 1200 GS Adventure	▪ K 1600 GTL Exclusive
▪ F 800 GS Adventure	▪ R 1200 RT	▪ S 1000 R

2. Upcoming:

Pricing and launch dates for the following new models will be announced in the coming months:

- R 1200 R
- R 1200 RS
- S 1000 RR
- F 800 R
- S 1000 XR

BMW Motorrad remains committed to an expansion of models to generate new customers and drive sales growth. This strategy has yielded sales growth and market share increases that are expected to continue in 2015.

3. Discontinued Models

2014 marked the last year for the following models; there is no replacement in the model year 2015 lineup:

- C 600 Sport
- G 650 GS Sertão
- HP4

4. Metallic Paint Charge

With the introduction of Model Year 2015, there will be an additional charge for metallic paint. This is a new BMW Motorrad measure that is being implemented in all markets, effective with the model year change.

Pricing for metallic paint allowed us to reduce to the overall model-year price increase, which benefits those customers who do not opt for metallic paint.

- Metallic paint will be priced between \$50 and \$150, depending on the model and the size of the painted surface areas.
- There are some models where metallic paint is not charged (e.g. R nineT) and models that offer a no-cost metallic paint option (e.g. C 650 GT); complete information is shown below in the detailed pricing sheets for each model.

5. www.bmwmotorcycles.com

The BMW Motorrad internet site has been updated with available Model Year 2015 information.
