MINI USA ANNOUNCES OFFICIAL ROUTE FOR MINI TAKES THE STATES 2016

Woodcliff Lake, NJ – December 24 – After much anticipation, [MINI USA](#) today announced the official route for the 2016 running of [MINI TAKES THE STATES](#). The legendary biennial cross-country owners rally will kick off at [Road Atlanta](#) in northeast Georgia on July 9, 2016 and finish at the [Thermal Club](#) in Palm Springs, CA, on July 23, 2016.

In true MINI TAKES THE STATES fashion, the route will not take a direct path from point A to point B. The more than 4,000-mile “track-to-track” adventure will travel up the east coast, across the Great Plains and over the Rocky Mountains before arriving in Southern California. The legendary adventure, which attracts thousands of MINI owners and enthusiasts every other year, will pay tribute to the brand’s motorsports heritage by stopping at several professional race tracks to host driving experiences along the way.

“MINI TAKES THE STATES is one of the most anticipated experiences that the MINI community takes part in every other year,” said David Duncan, Vice President MINI of the Americas. “Owning a MINI is about being a part of a community and never is that more evident than during MINI TAKES THE STATES. We can’t wait to hit the road this summer!”

MINI TAKES THE STATES 2016 will leave Atlanta making stops in Charlotte, NC, Richmond, VA, and Baltimore, MD. The route then turns slightly west heading towards stops in Pittsburgh, PA, and Detroit, MI. The group of owners and MINI employees will then head north and cross over the legendary Mackinac Bridge, considered to be a rite of passage for thousands of MINI owners who have participated in the biennial [MINI on the Mack](#) event before arriving in St. Ignace, MI.

After crossing over into Michigan's Upper Peninsula the route heads along the banks of Lake Michigan to Green Bay, WI, before heading west for stops in Minneapolis, MN, and Sioux Falls, SD. The rallying MINI owners will then motor across the Great Plains and through the Black Hills where they'll make a pit stop in Sturgis, SD, home of the legendary motorcycle rally. The route then heads south for the final legs of the epic journey making stops in Cheyenne, WY, Park City, UT, and Las Vegas, NV, before finally crossing the finish line in Palm Springs, CA.

About MINI in the US

MINI is an independent brand of the BMW Group. In the United States, MINI USA operates as a business unit of BMW of North America, LLC, located in Woodcliff Lake, New Jersey and includes the marketing and sales organizations for the MINI brand. The MINI USA sales organization is represented in the U.S. through a network of 124 MINI passenger car dealers in 39 states. MINI USA began selling vehicles in the U.S. in 2002 with the introduction of the MINI Cooper and MINI Cooper S Hardtops. Since then, the MINI Brand in the U.S. has grown to encompass a model range of six unique vehicles.
