About National Drive Electric Week Event, L.A.

The National Drive Electric Week Event in Los Angeles is part of National Drive Electric Week, a nationwide celebration – September 9-17 – to heighten awareness of today's widespread availability of plug-in vehicles and highlight the benefits of all-electric and plug-in hybrid-electric cars, trucks, motorcycles, and more. The week-long celebration includes hundreds of electric vehicle test drive events across the United States, including 23 events in California. Last year, the Los Angeles event hosted over 1,000 attendees and over 500 electric vehicle test drives. More plug-in cars are sold in Los Angeles County than any other place in the world.
