MINI USA ADDS BRICK LANE EDITION TO ROBUST SPECIAL EDITION LINEUP

Woodcliff Lake, NJ – February 17, 2022 – MINI USA today announced the addition of a fourth special edition to already robust special edition lineup – The MINI Brick Lane Edition. Inspired by London's home of street art, the Heart of the East End, where the city's most vibrant bustle of sounds, colors and tastes takes place, the MINI Brick Lane Edition has individuality as its trademark. The 2022 MINI Brick Lane edition will hit U.S. dealers in March as both Cooper S Hardtop 2 Door and 4 Door, with a Manufacturer's Suggested Retail Price (MSRP) of \$35,675 for the Hardtop 2 Door and \$36,675 for the Hardtop 4 Door, plus an additional \$850 for Destination and Handling.

Exterior Features

The exterior of the MINI Brick Lane Edition features a White Silver Metallic body, the contrast roof painted in a unique Soul Blue, black mirror caps, and chrome trim. On the bonnet and across the side, bold graphics in Frozen Blue, Mint, and Soul Blue characterize the traditional lines of the bricks and modern colors of the art scene of Brick Lane. This finish is offset with a host of accessories including side scuttle inlays, C-pillar decals, and wheel center cap in the Brick Lane motif. Additionally, the exterior features 17" Tentacle Spoke Black wheels wrapped in all-season tires. For the feeling of open air, a panoramic moonroof is also included.

Interior Features

Interior features include sports seats in Carbon Black Cross Punch Leather with heated front seats, heated Nappa Leather steering wheel, interior surfaces in Piano Black, an anthracite headliner, universal garage-door opener, Harman/Kardon premium sound system, Storage Package, and to keep you comfortable, dual-zone automatic climate control.

The included Touchscreen Navigation Plus Package features; MINI Assist eCall, MINI Head-Up Display, TeleServices, Advanced Real-Time Traffic Information, Concierge Services, Remote Services, Apple CarPlay, Wireless Charging, and Dynamic Digital Instrument Cluster.

The Brick Lane Edition comes with the choice of a 6-Speed Manual or 7-Speed Sport Dual Clutch Transmission, both at no cost. The Dual Clutch Transmission allows the driver to switch between automatic and manual mode, offering manual operation via the steering wheel paddle shifters or with the gear lever in the left position.

The MINI Brick Lane Edition will begin arriving at U.S. dealerships in mid-March 2022.

About MINI in the US
