MINI USA ENHANCES SPECIAL EDITION LINE UP AND BRINGS BACK MANUAL TRANSMISSIONS FOR NOVEMBER PRODUCTION

*Production updates also include the return of equipment options and a
simplified trim offering across the entire MINI lineup.*

Woodcliff Lake, N.J. – October 13, 2022 – [MINI USA](#) announce updates to production in November that will bring a number of new options and features to the MINI Special Edition lineup and mark the return of equipment options, including manual transmissions, along with a simplified trim offering to the MINI lineup.

Enhancements to Resolute, Untamed and Untold Special Editions

The MINI Resolute, Untold and Untamed Special Editions launched in March 2022, get enhancements that include new body colors, interior upholsteries, and engine variants available across these Special Editions. These three Special Editions are available on the respective models equipped with the Iconic Trim 2.0.

MINI Resolute Edition

The MINI Resolute Edition, currently offered with Rebel Green body color with a Pepper White Roof and Cloth/Leatherette Black Pearl Light Chequered seats with Carbon Black Knee Rolls will now also be available with Enigmatic Black metallic body color with the same Pepper White roof on all models, or Nanuq White on the Hardtop variants with Body Color roof. Additionally, the MINI Yours Lounge Leather Carbon Black is available for \$750 as an alternative upholstery.

MINI Untold Edition

Since July production, the Untold Edition has been available exclusively as a MINI John Cooper Works Clubman. However, after a temporary pause in availability, MINI is pleased to welcome come back the Cooper S and Cooper S All4 variants to

the Untold Edition range starting in November production. The MINI Untold Edition will also pick up Midnight Black metallic with black spats as an alternative versus the original Sage Green metallic with Sage Green Dark spats. As before, the MINI Yours Lounge Leather in Carbon Black or Sage Green are available upholsteries.

MINI Untamed Edition

The always capable Untamed Edition, which is currently available as a MINI Cooper S Countryman ALL4 with Momentum Grey body, can now be ordered, finished in the new Nanuq White paint color. Both body colors will come with the black contrast roof and mirrors, along with unique Edition graphics in Matte Bluestone. The body color accents will also be found in the side skirts, bumpers, and MINI wing badges.

Return of Manual Transmissions

Excellent news for performance enthusiasts who enjoy the fun of shifting their own gears, the MINI Hardtop 2 door range will see the return of the manual transmission as a standalone option starting with November production allowing MINI owners in the U.S. to once again, purchase a MINI Hardtop with a six-speed manual transmission. The reintroduction of the manual transmission is offered on the Cooper, Cooper S and John Cooper Works variants of the MINI Hardtop 2 Door.

New Paint Finishes

November production will bring the introduction of the new Melting Silver III color into the full MINI range, as well as the new Nanuq White as a choice on the MINI hardtops, Clubman and Countryman. Availability of Pepper White, White Silver and Moonwalk Grey will end with October production.

Simplified Trim Offering

Due to supply chain restrictions that impacted production earlier this year, MINI USA took steps to simplify the trim offering to ensure continued delivery of new vehicles to the market. These changes included no longer offering the Classic Trim level from the MINI product lineup. As supply challenges have eased, MINI USA is continuing to enhance and simplify the trim offering by adding previously restricted equipment and options back into newly its revised trim levels – Signature 2.0 and Iconic 2.0. By adding more equipment to these two trim levels, MINI USA offers more value to the consumer while ensuring consistent product availability. These changes have resulted in pricing updates to reflect the newly available equipment and options.

Revised 2023 Model Year Pricing Structure:

Models	Trim Base	Hardtop 2D	Hardtop 4D	Convertible	Clubman	Countryman
Cooper	Signature 2.0	\$28,600	\$29,700	\$33,800
