Driver, JCW Countryman

@luisperocarpi

Born with the passion for speed and the spirit of competition, Luis Perocarpi has pursued his dreams of racing. From his young days at the dirt racetracks of Chile to IndyCar at Indianapolis, Luis has earned valuable experience in the racing industry. In 2014, he founded LAP Motorsports and created the MINI JCW Racing Team.

Besides building and racing the most successful production based MINI JCW race cars in modern times, Luis has also been very successful behind the wheel of a rally car, winning Baja 1000 in 2014 and the Sonora Rally in 2023 with his current co-driver/navigator, Mark Wells.

Cristian Perocarpi

Driver, Cooper S

@cristianperocarpi

Gamer-turned-racer, Cristian learned to keep his tires maintained by playing racing games with his friends. Cristian grew up in the motorsports capital of the world and dreamt of being a professional race car driver.

In 2021, after graduating high school, Cristian was given the opportunity to race a MINI at Sebring, one of the toughest racetracks in the world – marking the start of his professional career! After establishing an accomplished touring car career, Cristian is ready to tackle rally.
